

| ZONE |

ZONE's design was born because it is designed to produce a very high-quality sound world.

The ZONE frame itself distributes the sound evenly to the environment and the technology and the design make the whole a completely new kind of multi-purpose sound system.

ZONE is designed to withstand extreme conditions. It is the only Bluetooth speaker in the world that is resistant to heat, cold temperatures and moisture. So, you can even use it even in a Finnish Sauna or as an Ice-bucket without any worries.

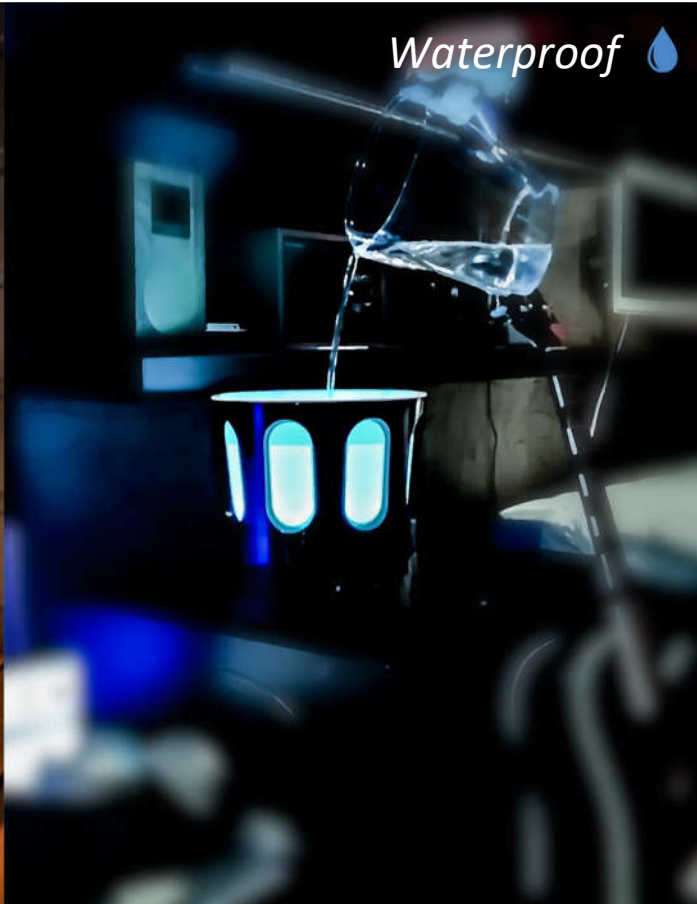

The design of ZONE embraces sustainability, a real dedication to modularity and ease of maintenance. ZONE's design does not include any environmentally harmful materials.

ZONE is a patented and protected design and has been awarded the coveted

Design from Finland mark.

ZONE provides a warm and rich soundscape by utilising its environment.

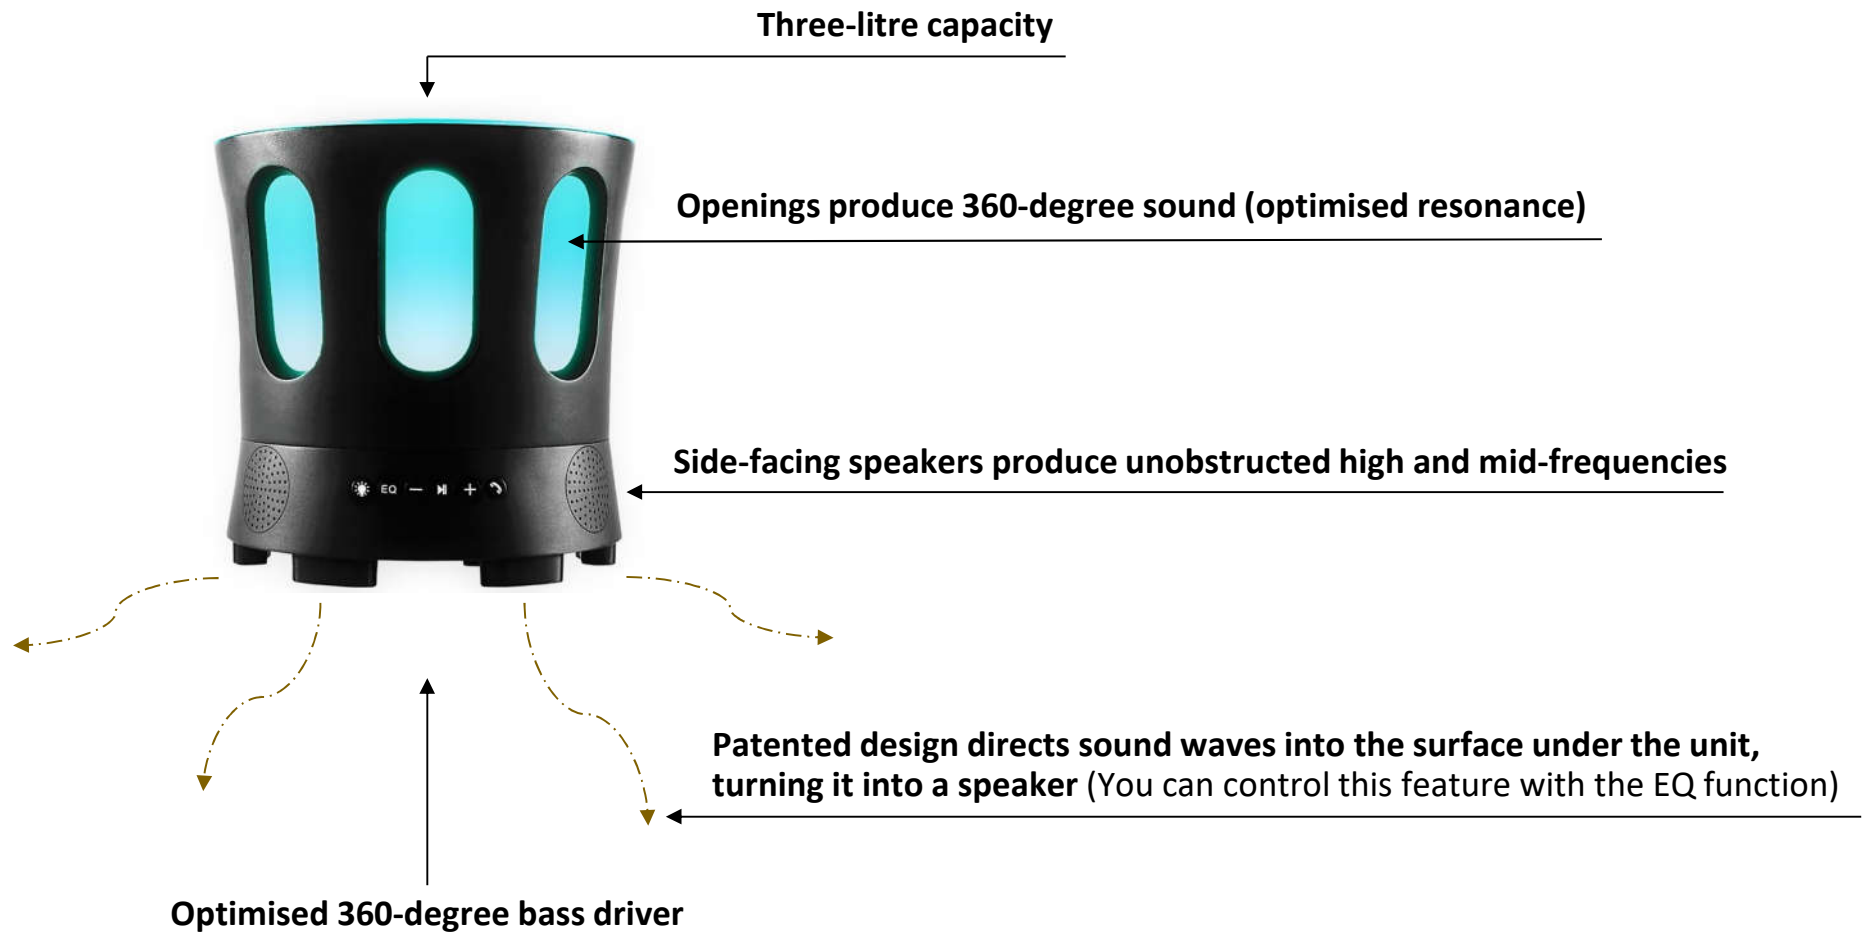

*120-degree high and mid-frequencies
360-degree subwoofer
360-degree optimised resonance*

The sound system has been designed to use the frame to produce a soundscape with distinct high, low and mid-frequencies. This means that ZONE lets you hear music as it was meant to be heard.

ZONE is designed to give music a new dimension – feel.

Huippu kotimainen tuote

JS1983- 7.8.2022

Erittäin hyvä lisä esim. Saunailtaan ja piha juhliin.

Suosittelen tuotetta

Laadukas kaiutin

Hs38- 4.3.2022

Vastasi hyvin tuotekuvausta. Kivan näköinen ja hyvä äänentoisto. Painavan oloinen, joka tässä tuotteessa tuntui lisäävän laadukkuutta.

Suosittelen tuotetta

Hyvältä kuulostaa

JFK64- 3.2.2022

Olen ollut tyytyväinen, jos jotain haluaisi parantaa niin kauko-ohjain josta voisi laittaa laitteen päälle, säätää äänenvoimakkuutta etc.

Suosittelen tuotetta

Huikee

Tytti79- 28.1.2022

Ostin miehelle joululahjaksi ja on ollut kovassa käytössä, ihana valaistus sekä todella hyvä äänenlaatu.

Suosittelen tuotetta

Loistava ominaisuudet

Hatsa11- 17.1.2022

Hyvä äänen laatu toimii loistavasti saunassa voi rentoutua hyvän musiikin kera
